**DON KLINKNER, BENEDICT TOWNSHIP**

Don Klinkner was available by phone to discuss grant funding to clean out Red Stone Creek that runs through Benedict, Afton, and Oneida Townships. If granted, the funding would be an 80/20 split between the State and Townships, but the County must be the entity that applies for the grant. For Sanborn County to apply for this grant on behalf of Benedict township, a H&H study must be performed, with an approximate price of \$400,000, of which is not in the county's budget for this project. It was determined by the board that we not pursue this project any further.
