REMINDER!

 Due to the continual turn-over of Municipal Finance Officers, County Auditors and their Deputies, we want to remind you that District III will continue to manage and maintain your SAM (System for Award Management) registration. We do this for any member that requests it and there is no additional charge for this service.

However, even though we will manage your SAM registration, you still need to monitor your email for any messages from CAGE or IRS. These messages will come from a .gov or .dla email address. They cannot be ignored and will require a quick response. Please forward them to Jen at jen.moser@districtiii.org.

You will continue to receive emails from 3rd party vendors (any email ending in .com) "phishing" for your business. These vendors will charge you for their service. Unfortunately, we cannot control those emails and have seen far too many entities paying for something that we could have done for **FREE**. If you have any questions, please contact Jen Moser at our office. She can be reached at the email listed above or directly at (605) 664-4950.
