

PLANNING & DEVELOPMENT DISTRICT III

REMINDER!

Treasury's ARPA 2025 Annual Reporting Portal will be opening soon. You should expect an e-mail regarding the matter. If you have received ARPA funding, please login as directed and complete the report form even if you've spent all of the funds in a prior period. There recently has been some confusion about completing these reports and it has resulted in entities being considered "non-compliant". Jen Moser at jen.moser@districtiii.org may be able to assist you with questions.
