RESOLUTION #2024-23 - DECLARATION OF DRAINAGE DITCH JURISDICTION

Motion by Blindauer, seconded by P. Larson, to sign Resolution 2024-23, to provide clarification on who has jurisdiction on waterways outside of Sanborn County lines. Motion carried.

WHEREAS, there is some confusion regarding the authority of Sanborn County either through a “drainage commission”, or through the Sanborn County Commissioners, that allow Sanborn County authorities to exercise control over certain drainage ditches existing in Jerauld County. Minutes from a Jerauld County Commissioner meeting in September of 1920, refer to Jerauld County instructing Sanborn County to take full charge of a petition for a drainage ditch that was to have affected both Counties, and

WHEREAS, both Counties may have similar, old references, suggesting that some ditches in Jerauld County may be governed by Sanborn County, and WHEREAS, the legality and practicality of such an agreement would seem to be tenuous,

NOW BE IT RESOLVED THAT Sanborn County through its County Commission, a drainage commission, or any other sovereign power of Sanborn County, has no authority or power to make determinations or binding decisions or any matters of drainage in Jerauld County, no matter where such drainage exists. All such issues arising from drainage in Jerauld County shall be determined according to the laws of the State of South Dakota.

Vote of Board of Commissioners: Aye: 4 Nay: 0

Passed and enacted this 6th day of August 2024
