Areawide Business Council Revolving Loan Fund – New Loan Spotlight:

Alexandria Ace Hardware

ABC is proud to have partnered with Kelly Arend of Security State Bank to bring Ace Hardware to Alexandria. The new 16,700 sq ft building will be located near the I-90 interchange. A groundbreaking was held in December with an expected opening date this fall. It is anticipated that the store will employ 10 full-time plus additional part-time employees, as needed. Product lines will include not only hardware and paint but also seasonal merchandise and items to fill the agri-business niche affiliated with their rural setting.

Funding Opportunity

Brownfields Assessment & Remediation – SD Department of Ag & Natural Resources (DANR) has funding available to assess structures for the existence of harmful substances to include asbestos. DANR partners with a geotechnical firm to conduct the assessment and covers 100% of the costs. Funds are also available for remediation once an assessment has been completed. For more information contact either Brian or John at the District III office.

Job Announcement

District III has an opening for a full-time **Community Development Specialist**. This position provides a wide range of community and economic development services that produce project financing, support local and regional planning processes, and generate useful information.
